

Itasia Flat Travelling Cable

Made in Europe

Flexible Bare Copper

High Tensile Strength

Designed For High Rise Buildings

ITASIA srl.

Technical Data

Conductor

Class 5 flexible plain
copper conductors

Insulation

PVC (Polyvinyl Chloride)

Sheath

PVC (Polyvinyl Chloride)

Sheath Color

Gray

Voltage Rating

300/500V

Minimum Bending Radius

10 x thickness of cable

Core Identification

White Cores with black numerals
Green/Yellow earth conductor
